Leicestershire Leicester and Rutland

Leicestershire Leicester and Rutland Headway was established in 1990 and is the only local service dedicated exclusively to the support of people devastated by brain injury.

Being a Friend of Headway Leicester means you can help us to improve and expand our services by making a small regular donation.

You could also join in the fun of fundraising, get together with a local group of friends and organise or take part in events for us.

Simply complete the form below and return it to the address overleaf, contact us by telephone or email and we will do the rest. We will never ask for any of your personal banking details, but will give you all the information you need to set up a Standing Order.

A monthly donation of just £2 will make a massive difference
